98A Kerry Crescent Berkeley Vale NSW

2 **1**

Granny flat living is becoming increasingly popular because people are after Coast living, affordability and low maintenance, so there is more time to enjoy the fun things in life!

This near new 2-bedroom brick home is bright and modern. It has the added extras the others are lacking - like a dishwasher and special bedroom walls to block out the TV and sounds from the lounge room! Open plan lounge/dining space/kitchen with plenty of cupboard space, both bedrooms have built in mirror robes and ceiling fans. The fenced yard is bigger than you would expect and also has a covered verandah and garden outlook. Water tank, off street parking and private side access to your property.
