

WATANOBBI

4  2  2 

A lovely brick & tile 4 bedroom home located in a private cul-de-sac. The home is well appointed with down lights, ceiling fans, air conditioning, bar & covered outdoor entertaining area, tiled living areas, double garage with drive thru option & parking at side for trailer. The land is approximately 568m² and with parkland across the driveway gives the kids plenty of space to play. Certainly one of the better buys in Watanobbi.
